

**Family Center**  
OF WASHINGTON COUNTY

**Speech and Language Pathologist**  
**Vermont Family, Infant and Toddler Program**  
**Washington Region**

**PUT YOUR EXPERTISE TO WORK**  
**HELPING CHILDREN AND FAMILIES**

The Family Center of Washington County, a busy family support agency, seeks an experienced professional to fill the position of Speech and Language Pathologist with the Children's Integrated Services – Early Intervention Program, formally known as the Family, Infant & Toddler Program. Join our multidisciplinary team, which collaborates with area health, education and social service agencies serving babies and toddlers with special health and developmental needs.

Desired Qualifications:

- Master's Degree in Speech-Language/Communication,
- Current ASHA Certification of Clinical Competence.
- Three years direct experience providing communication/language services to children under the age of three with special needs and their families, including assessment and evaluation.
- Commitment to family-centered, collaborative service delivery.

This position is 32 hours per week year round and includes a comprehensive benefits package.

Send letter of interest, resume, three reference names and copy of appropriate licensure/certification to:
