

## Family Center Fundraising Opportunity

The Family Center has an exciting opportunity to get our name out in the community and raise some

money in the process! Everyone who dines at the Three Penny Taproom on Wednesday, February 15 can feel good knowing that the Family Center will receive 5% of all restaurant proceeds from lunch and dinner for that day. Food and drinks are included. Three Penny Taproom is located at 108 Main Street in downtown Montpelier. Wednesday hours are 11 A.M. to 9 P.M.

Three Penny Taproom is Vermont's premiere destination for craft beer and craft food. Our focus on high quality products, paired with high quality service, leaves no doubt why we are a can't miss stop in the greatest little capital city in the country, Montpelier, Vermont.

### Family Center

OF WASHINGTON COUNTY

*It's always about the family...*

The Family Center has been making a positive difference in the lives of children and families in Central Vermont for 44 years...giving children and families the tools they need to succeed. At the Family Center, we believe each family has strengths and can take a primary role in its own development.

We provide integrated and inclusive early childhood and family support services for families and young children throughout Washington County. Our children, youth, and family services are designed to build upon families' strengths, by supporting them to meet the developmental needs of their children.

We are dedicated to investing resources in early care, education, and strengthening families to foster healthier communities with decreased social, education, and health costs. To find out about our services in Washington County, please find us at [www.fcwcvt.org](http://www.fcwcvt.org).
